

Dear Students and Parents,

Welcome to a great, upcoming 6th grade school year at EDUPRIZE in **Ms. Jimison's homeroom class!**

My wonderful cohort teacher is **Mrs. Brown**. We are excited for the opportunity to get to know you and your families this year. First, here is a little bit of information to get to know us better.

Ms. Jimison: I am so excited to be teaching 6th grade this school year! This will be my 24th year in education. My teaching journey started at EDUPRIZE many years ago. I will be teaching math and science as well as writing this year. My roots are in Chicago, but I grew up in the Phoenix area attending ASU and then NAU for my degrees. My passions are music, traveling, and my family (including our four legged member).

Mrs. Brown: I can't wait to meet all of you in July! I will be teaching reading, world history and writing. There is so much to know about our history! This is my 22nd year teaching at EDUPRIZE, but I have been a member of the EDUPRIZE family for 28 years! I live in Chandler with my husband Jeff, my son Michael, and our three fur babies, Simon, Peanut, and Annie. My daughter Christine and her husband Micah live in North Phoenix. In my spare time, I enjoy helping others through a local food bank, and love spending time with my precious friends and family.

This year our cottages will be **Atomic Avenue, Rainforest, Observatory, and Imperial Highway**. We are going to have so much fun learning and exploring through these exciting cottages and STEM activities. We have high expectations for our students. We expect them to be responsible and show good character to their teachers and peers. We like to make learning fun, and this happens when students are responsible, prepared, respectful, and motivated to learn! We are excited to have parent helpers in our classroom and will begin utilizing their help after the first week or so of school.

Attached, you will find this year's supply list. If possible, please purchase your items prior to Open House. At Open House, students will meet both teachers, see our classrooms, pick up important papers, drop off supplies, and get information on carpool. We are excited to start our journey together this year and know that it will be a wonderful year for our sixth graders. There is so much to learn, and it will be our honor to be your teachers! Enjoy the rest of your summer, and we will see you soon!

Sincerely, Ms. Jimison and Mrs. Brown
