

Meet the TEACHER

Welcome to 3rd Grade!

My name is **Mrs. Bordelon**, and I am thrilled to introduce myself to you as your teacher for this coming school year. Third grade will be one of the most fun-filled learning experiences you've had yet! A little information about me: my husband and I have three kiddos, Adalyn (9), Kinsleigh (7), and Thielen (5) who will all be attending EDUPRIZE this year. I was born and raised in Minnesota and moved to Arizona just last year. My family can usually be found on the ball field, swimming in our pool, or hanging out with friends and family. If we are not on an adventure, I love diving into a good book, watching MN sports, and exploring the mountains.

All About 3rd Grade

Our days together in third grade will be spent discovering many new math, reading, and writing skills along with our fun cottages. For science and social studies are cottages will include: Illumination Station, Plant Nursery, Desert Lab and AZ Highways.
