

I am Mr. Fowler. I attended the W.P. Carey School of Business before I found my passion in teaching. Throughout my life I've heard I'm great at dealing with students, but I think my single best quality is my dedication. That dedication shines through my work and ideally it benefits the students I work with as well. I started teaching at Eduprize back in 2023 and I look forward to the year ahead where I will be teaching 7th and 8th grade Science.

Outside of the classroom, I live with three chihuahua dogs. I also watch a lot of movies and will occasionally take up a challenging hobby to learn. This summer I will be taking up leatherworking.

## Required Items for Students

The students will need to bring the following items to school each day to succeed:

- One Science Folder (for the homework and unbound notes)
- One Science Notebook (sewn or spiral, doesn't matter. They will paste notes here)
- Chromebooks & Charger (I do not make exceptions for uncharged chromebooks)
- 3 Pencils (2 for backup)
- 1 Black or Blue ink pen

## Supply Wish List

I request the following items to assist me in performing better as their educator:

1. Tissues
2. Paper Towels
3. Blank Copy Paper
4. Expo/ Dry Erase Markers
5. Pencils (need to make them easily accessible, so I need a lot)
6. shelf for paper collection/organization
7. hand-crank wall pencil sharpener
8. Wall decorations (inspirational quotes, fun science images, etc)
