Mrs. Schramm

Hello! I am Stephanie Schramm, and I am very excited to begin my second year here at EDUPRIZE! I have been married to Karl for over 20 years and we have two children who have always attended EDUPRIZE (Alex 7th, Ellie 1st). We have lived in the STV/QC area for almost 20 years.

My background is in Civil Engineering. I love gardening, hiking, reading, and pop culture. As your 5th Grade teacher, I am covering my favorite subjects: math, science, and writing. I can't wait to meet you all!

Mrs. Kohn

Hello! I am Katie Kohn and I am so excited to be teaching at EDUPRIZE this year! When I was researching schools in the area, I just knew this was the perfect fit for me. I have taught Preschool, Kindergarten, 4th grade, and 5th grade. I have lived in six other states but I am originally from Arizona and I am so happy to be home and settled here in San Tan Valley. My husband and I have been married for 17 years and we have four children ages 16, 14, 10, and 8. Teaching is my passion and I can't wait to share my love of learning with your children. When I'm not teaching I enjoy reading, swimming, dancing, and spending time outdoors with my family. I look forward to meeting you!

Welcome 5th Grade Families!

We are so excited to meet you! You will have both Mrs. Schramm and Mrs. Kohn as teachers this year. Mrs. Schramm will be teaching Math and Cottage, and Mrs.

Kohn will be teaching ELA and Social Studies. Even though one of us will be your homeroom teacher, you will spend an equal amount of time in both classes.

We are looking forward to seeing you at Open House!
