ALL ABOUT ME

I am thrilled to introduce myself as your child's third-grade teacher here at EDUPRIZE! I am excited to start my first year with this amazing community. I earned my Associate's degree from Mesa Community College and my Bachelor's degree from Arizona State University. To further hone my craft, I completed a Master's program at the University of Colorado Colorado Springs, which granted me my teaching license. With teaching experience in grades 1-4, I am confident in my ability to create a nurturing and engaging learning environment that fosters academic growth and creativity. I look forward to getting to know each of you and your child throughout the year, and I am eager to be a part of this educational journey together.

COTTAGES

Our science and social studies cottages this year include; Illumination Station, Plant Nursery, Desert Lab, and Arizona Highways. Each thematic unit will be 9 weeks of learning and experiments.
