Welcome to the 2023-2024 school year!

My name is Tracy Marshall, and this is my 6th year at EDUPRIZE. I will be teaching 8th grade ELA and JH Journalism. I am not only an educator, but I'm a mom to two handsome boys; Ryan and Reagan; as well as 2 dogs; Max and Diamond. I have lived in Gilbert for quite some time. My career began 25 years ago in the Scottsdale School District. It continued throughout the years, holding various positions within the education field in varying states such as New York, Nevada, and here in Arizona. As an educator, I feel it is my job to help guide, teach, and assist students in achieving their highest academic and societal potential. I feel strongly about seeing the student first and then the academics will come. Because of this, it is important to me that I get to know each of my students as a person including their likes and dislikes, strengths and weaknesses to name a few. I look forward to another great year!
