

Amy Smith Bio and Supply List 2024-2025

Hello Everyone, my name is Mrs. Smith, and welcome to the 2024-2025 school year. This will be my 21st year teaching and my 8th year at EDUPRIZE. My family and I moved to Arizona from Illinois eight years ago and are so glad we did. I love the weather, the mountains and the big city environment. This school year, I will be teaching IB History of the Americas along with the Theory of Knowledge Class (ToK). In addition to my teaching responsibilities I am also the IB Coordinator and the secondary instructional coach. I have three children, Dylan (16), Charlotte (14) and Josie (14) and my husband, Jesse, who I've been married to for 21 years, works at the State Farm office in Tempe as a web developer. In my spare time I enjoy reading, running, and spending time with my friends and family.
