

EAGLES EDITION

Gilbert School News | 7th - 12th

Principal's Message

Hello Eagle Families,

Next week, your student(s) will receive registration materials for the upcoming school year. We are diligently finalizing our new course catalog, which will provide detailed information about the courses available for junior and senior high school students. Please be sure to check your messages next week for more information.

At the start of this semester, we have shifted our focus toward preparing students for state testing and enhancing academic proficiency. This shift brings increased rigor and expectations for all our students.

Attendance is crucial, as missed instructional time is irreplaceable. Please ensure that your student(s) arrive at class on time. Administration has been meeting individually with students about chronic absenteeism and low grades. To provide the best possible education for your students, we are inviting students to stay after school for office hours and asking them to attend sessions on Fridays from 12:30 PM to 2:30 PM. **Additionally, we are monitoring students who are earning grades lower than a C, and teachers will be calling home to inform the parent(s)/guardian(s) of current grades. Our grade checks are done weekly to ensure we are supporting the success of our students.**

Parent/Teacher Conferences will be held February 12-14, 2025. Please take a moment to sign up on the link below. We encourage you to take this opportunity to meet with your student(s)' teachers to discuss their academic progress. It is also a great opportunity for teachers to brag about their students. The times are only ten minute increments, please be respectful of the time allotted.

[24/25 Q3 Parent Teacher Conf Links](#)

Finally, we are recognizing our teachers for their dedication to students and their learning. Please encourage your student(s) to nominate their teacher for Teacher of the Month. Please click the link below to nominate a teacher!

[Teacher Nomination Form](#)

Thank you for your continued support of your student(s) and their learning. Have a great weekend Eagles!

Warm regards,
Dr. Jennifer L.H. Murphy
