

**Job Title:** Junior High Math and Science Teacher

**Location:** EDUPRIZE Schools, Gilbert

**Reports to:** High School Principal

**Position Overview:**

EDUPRIZE is the original charter school in Arizona, the only seven-time awarded A+ charter school, and fully accredited with Cognia. We are committed to excellence at EDUPRIZE by working in partnership with families to foster a personalized learning environment where all students are known, valued, and thrive. EDUPRIZE looks for employees who have a strong commitment to our mission and values, and a passion for promoting quality education.

We are seeking a passionate and dedicated Junior High Math and Science Teacher to join our dynamic teaching team. The ideal candidate will bring energy, creativity, and a commitment to engaging students in both math and science curricula. This educator will foster a positive classroom environment that supports academic growth, critical thinking, and a love of learning in students from diverse backgrounds. We believe in teaching to mastery, and that all students have a right to learn.

**Key Responsibilities:**

**1. Classroom Instruction**

- Deliver engaging instruction in math and science using a variety of teaching methods, technologies, and instructional materials.
- Develop and implement lesson plans aligned with state and school curriculum guidelines.
- Adapt instruction to meet the diverse learning needs of students, including differentiation for varying skill levels and learning styles.
- Assess student understanding regularly through a variety of formative and summative assessments.
- Maintain a classroom atmosphere conducive to learning, and demonstrate skill in working with students from diverse cultural, economic and ability backgrounds.

**2. Parent Communication**

- Maintain regular communication with parents and guardians regarding student progress and classroom updates.
- Collaborate with families to support student learning and address academic or behavioral concerns.
- Participate in scheduled parent-teacher conferences and respond to family outreach in a timely manner.

**3. Testing**

- Monitor, evaluate, and document student performance, behavior, and academic progress.
- Administer classroom and state-mandated assessments and maintain secure and confidential testing environments.
- Provide timely feedback and progress reports to students and families.

#### **4. Professional Responsibilities**

- Stay current with educational best practices, curriculum standards, and professional certification requirements.
- Collaborate with colleagues in curriculum planning, team meetings, and school improvement initiatives.
- Support and implement accommodations for students with IEPs, 504 Plans, or other learning needs, and meet State/Federal obligations.
- Engage in ongoing professional development, workshops, and school-based training sessions.
- Participate in school activities, committees, and community engagement efforts.
- Maintain confidentiality in all student and staff matters.

#### **Qualifications:**

- Bachelor's degree in education, science, mathematics, or a related field (required)
- State of Arizona Teaching Certificate with approved area in Science or Math (or be in the process of receiving one)
- Valid IVP Fingerprint Clearance Card
- 3-5 years of teaching experience (preferred)
- Demonstrated success in classroom instruction, either through prior teaching experience or student teaching evaluations

#### **Preferred Skills:**

- Strong verbal and written communication skills; able to engage professionally and respectfully with students, parents, and colleagues.
- Proficiency in Google Workspace tools, especially Google Classroom, Docs, Sheets, and Slides.
- Ability to manage multiple responsibilities efficiently and independently in a fast-paced environment with minimal supervision.
- Effective under pressure; demonstrates sound judgment, adaptability, and professionalism in problem-solving and decision-making situations.
