

Welcome to Ms. Hope's 3rd Grade Class!

The Real Deal about the 3rd Grade

A Little About Ms. Hope!

- Hello, I am Arielle Hope.
- This is my thirteenth year teaching and I am thrilled that this is also my thirteenth year here at EDUPRIZE. I did my student teaching at EDUPRIZE and fell in love with our school.
- I graduated from Northern Arizona University with my Bachelor's in Elementary Education in 2013 and received my Master's in Applied Behavior Analysis in 2018.
- I love reading, going to concerts, and spending time with my family.

It's that time of the year again... SCHOOL'S IN! I am so excited to start our amazing school year in our super 3rd grade class. I believe that the two most important aspects in our classroom are the relationships that we build and the classroom environment. We will take the beginning of the year to build those relationships and get to know each other. I want all of my students to feel comfortable and safe with me and also with their peers. We will learn to be independent and mindful learners.
