

Welcome to your upcoming 6th grade year at EDUPRIZE in Ms. Rogers' class! You will be my 28th class at EDUPRIZE! I grew up in Gilbert (not too far from EDUPRIZE), and now reside in Mesa. Besides teaching, I love being the "favorite aunt" to my 27 nieces and nephews, quilting, riding my bike, and creating fabulous crafts with my Cricut. When I am not teaching, I am the director of a music theater program where I direct two musicals every year.

Open House is Thursday, July 17th from 3:00–7:00 pm for ALL grades. We are having a special Open House to celebrate our 30 years of education! The celebration will be BIG and will include meeting your teachers, seeing their classrooms, picking up important papers and carpool information, dropping off supplies AND celebrating together with food trucks and PTO activities. It will be a family fun night!

This year our cottages will be Atomic Avenue, Rainforest, and Observatory. We are going to have so much fun learning and exploring through these exciting cottages and STEM activities. We also focus much of our time on World History, so you will learn about many different cultures.

I have high expectations for my students; I expect them to be responsible and show strong character to their teachers and peers. I like to make learning fun, and this happens when students are responsible, prepared, respectful, and motivated to learn!

I am excited to have parent helpers in our classroom and will begin utilizing help as soon as you are able. If you would like to help before Open House, contact me via email and I will put you to work!

It will be my honor to be your teacher! Enjoy the rest of your summer, and I will see you soon!

Sincerely,
Ms. Rogers
