

Welcome Back- Mrs. Hunt

Special Education

Welcome Back!

Welcome back to those returning and welcome to those whose it is their first-year here at EDUPRIZE. I look forward to an amazing year of learning and helping your child grow.

I have taught for 8 years as a general education teacher! I spent 4 of those years working as a 1st and 2nd-grade teacher at the EDUPRIZE campus in Queen Creek. I then spent 3.5 years teaching 2nd grade at an elementary school in the Mesa Public School District. I returned to EDUPRIZE, but at the Gilbert Campus, to teach Special Education.

This is my 5th year at EDUPRIZE Gilbert campus. The first two years I worked in special education in grades 2nd-4th. The past 2 years, I have supported and mentored teachers new to teaching, as well as supported teachers with developing Individualized Education Plans. I am lucky to be able to support both students and teachers along in their educational journey. I look forward to another amazing year full of growth and learning.

My husband and I have 3 amazing children, 1 service dog, and a puppy. We love to hike, go camping, travel, and watch soccer. Fun fact, I played soccer in college and enjoy coaching my daughter's soccer team.
