

# Meet the Teachers!

## Mrs. Crockett

Hello! I'm Mrs. Crockett and I cannot wait to be your child's Math & Cottage teacher! I have taught 6<sup>th</sup> grade for 4 years now. I took a break last year to focus on my masters degree but am thrilled to be back!! I have a passion for math and look forward to exploring our cottages: Atomic Avenue, Rainforest, Observatory, & Imperial Highway together. When I am not in the classroom I am either studying, reading, hiking, kayaking, cuddling my persian cat 'Dunkin', or drinking coffee! I have been married to my husband for 14 years and have three kids: KC (14), Kanon (12) and Kamilla (8). I'm committed to creating a positive, supportive, and engaging classroom where every student can grow and succeed. Here's to an exciting year—let's learn, thrive, and make it a year to remember!

## Miss Aldecoa

Hello! I'm Miss Aldecoa and I am going to be your child's ELA and Social Studies teacher! This is my second year of teaching, and my 18<sup>th</sup> year as an EDUPRIZE veteran (I am a former student!). I have a love for writing and history and cannot wait to "travel around the world," with the kids! When I am not at school, you can find me writing, playing with my daughter (Violeta, 2.5), hanging out with my family, finding something crafty to do or relaxing. I graduated from NAU with a BA in Creative Media and Film and am now using it to navigate the world of teaching! My goal is to create a positive, safe and comfortable environment for all children to thrive in!
