My name is Miss Hurrle, and I am excited to begin my ninth year at EDUPRIZE and my eighth year of teaching 5th grade! I will be teaching Math and Cottage. I spent one school year teaching music specials, which was SO much fun! I was born in California but have spent the majority of my life living in Arizona. I graduated from ASU with my Bachelor's Degree in Elementary Education alongside my childhood best friend, who is also a teacher! I love to spend my free time with friends and family. I am a huge music lover and enjoy going to concerts and playing piano. My classroom is a very high-energy place where students uplift each other and work together as a team. Please know that when your child walks into this classroom, they are safe, cared for, and capable of the expectations that will be set for them. I look forward to an amazing year and seeing you at Open House!

Hello! My name is Mrs. Bond-Parson, and I am excited to be your child's ELA and Social Studies teacher! It's going to be a fun year full of learning and growing. I earned my Bachelor's Degree in Educational Studies in Elementary Education at WGU. I have been married to my high school sweetheart since 2008. We have a son who will be starting in 8th grade. When I'm not at school, I enjoy cooking, crafting, reading, and drawing. Communication is so important in your child's success. Please always contact me with any questions or concerns. I look forward to a wonderful partnership in your child's education.
