

Welcome Fourth Graders and Parents,

My name is Katie Bouchie (it sounds like Boo-shay), and I am so excited to be your child's teacher this year! I love working with fourth graders, and I am looking forward to getting to know you all throughout our time together.

Let me tell you a little about myself. I have three older kids that I share with my husband, who make my life very exciting. I have two college kids and a junior in high school. I have taught grades fourth, fifth, and sixth, but fourth is my absolute favorite. This is my 12th year of teaching, and my third year at EDUPRIZE. I have my Bachelor of Arts in Elementary Education. I am thrilled to have found my teaching home at this amazing school. In my free time, I love doing crafts, reading books, or just hanging out with my family and friends.

This year we will be studying four different cottage themes. Our cottages are Energy Lab, Grand Canyon Marketplace, Reptile Ranch, and Exploration Station.

Open House will be on Friday, July 18th, from 11:30 am to 12:15 pm. This is the time for students to drop off their supplies, meet their teacher, and see their classroom. It is always such an exciting day!

Our first day of school is Tuesday, July 22nd. Students must be present and on time, the full day to be considered enrolled at EDUPRIZE. School is from 8:00 am to 2:40 pm Monday through Thursday, and 8:00 am to 11:25 am on Friday. Students should be on campus and ready to line up 5 minutes prior to start time. I will let you know where students line up outside during Open House.

I look forward to meeting all of you. If you have any questions or if you just want to say "hi" please feel free to email me at katie.bouchie@eduprize.com.

Thank you in advance for all of your support in making this a wonderful and successful school year. Enjoy the rest of your summer, and I will see you soon!

Sincerely,
Mrs. Bouchie
