## MRS. BUSH AND MRS. KING'S 6TH GRADE AM TOPS

### MRS. BUSH

I'm Mrs. Bush, and I'm thrilled to be your child's math and cottage teacher this year! With two decades of teaching experience, I bring a wealth of knowledge and enthusiasm to our classroom. I completed my undergraduate studies at Arizona State University and pursued my Master's degree at Northern Arizona University.

Outside of the classroom, I've been happily married to my husband, Dan, for 20 years.

Together, we have three wonderful boys: Logan (15), Aiden (10), and Colton (7). Logan is currently a sophomore at San Tan Foothills, while Aiden and Colton attend EDUPRIZE.

This year, we'll be embarking on an exciting journey with a new math program called "Carnegie Learning." I'm eager to introduce you to this innovative curriculum. Additionally, we'll explore four captivating cottages: Atomic Avenue, Rainforest, Observatory, and Imperial Highway. I'm looking forward to meeting each of you soon and creating an engaging and enriching learning experience together!

### MRS. KING

Hello! I'm Mrs. King, and I'm delighted to introduce myself as your child's teacher for English Language Arts and Social Studies this year. With a quarter-century of teaching experience under my belt, I'm excited to embark on this educational journey alongside your sixth-grader. My educational background includes a Bachelor's Degree in Secondary English Education from Oklahoma Panhandle State University and a Master's Degree in Elementary Education and Educational Leadership from Western New Mexico State University. Beyond academics, I'm a proud parent myself, celebrating 25 years of marriage and nurturing two wonderful children. Ryan, now a Senior at Northern Arizona University studying to become a physician's assistant, and Rylee, who is a radiology technician. In our classroom, we'll dive into exciting text excerpts from Benchmark Advance and explore the captivating world of ancient civilizations in Social Studies. I'm eager to meet all of you soon and embark on a year of learning and growth together.

### Open House

Our first day of schools is Tuesday, July 22nd. Our school day runs from 7:15 AM (line up at 7:10) - 12:15 PM Monday through Friday. On the first day of school, we will meet you outside at the picnic tables. In order to maintain your enrollment at EDUPRIZE, you must attend school on the first day. We are excited to meet you at our open house on Friday, July 18th. Our scheduled time is 9:30 AM - 10:15 AM. If you can't make it during this time, come when you can. You will pick up your Chromebook at open house. Prior to open house, please fill out the Chromebook loaner agreement through Infinite Campus (login to portal - go to the school store - go to the Queen Creek shop - Go to QC Device Agreement - review, complete, and sign the form) Also, please fill out the open house paperwork through your Infinite Campus portal.
