

Welcome to 3rd grade!

Dear Parents and Students,

My name is **Mrs. Ferris** and I will be your teacher this year. I hope everyone has enjoyed their summer and is ready for third grade. I cannot wait to get to know each and every one of you, we are going to have an amazing year. This year we will focus on being hard workers, creating a classroom family, and enjoying this year together!

A little about me, my husband Mike and I have two great kiddos Mikayla and Ryan. I am an AZ native, a proud ASU graduate and love all the adventures I can find! Our family can usually be found outdoors, paddle boarding the lakes and taking our crazy dogs on hikes. When we are not out and about I love snuggling up with our kitties and reading a great book. This will be my seventh year teaching third grade here at EDUPRIZE.

Our days together in third grade will be spent discovering many new math, reading and writing skills along with our fun cottages. In third grade our cottages include Illumination Station, Plant Nursery, Desert Lab and AZ Highways.

Our schedule for the full day is Monday – Thursday 8:00 am-2:45pm and Friday 8:00am-11:45am.

Our first day of school is Tuesday, July 22, 2025, the students need to be in line *outside on the basketball court* by 8:00 a.m. Students **MUST** be prompt and present on the first day of school to be considered enrolled at EDUPRIZE.

An open house is scheduled for Friday, July 18, 2025 from 10:30-11:15 in room 53. At the open house, you can meet your classmates and see our classroom. Please bring your student supplies (see next page for list).

Parents, you are such an important part of our classroom family and I look forward to working alongside you to make this year great for your kiddo. Please feel free to contact me about any questions or concerns! The easiest way to reach me will be by email, megan.ferris@eduprize.com.

See you soon,
Megan Ferris
