Meet your teachers!

Mrs. Schramm

Hello! I am Stephanie Schramm, and I am very excited to begin my third year here at EDUPRIZE! I have been married to Karl for over 20 years, and we have two children who have always attended EDUPRIZE (Alex 8th, Ellie 2nd). We have lived in the STV/QC area for over 20 years. My background is in Civil Engineering. I love gardening, hiking, reading, and pop culture. As your 5th Grade teacher, I am covering my favorite subjects: math, science, and writing.

I can't wait to meet you all! stephanie.schramm@eduprize.com

Mrs. Hancock

My name is Ramie Hancock. My husband, Steve, and I have been married for 28 years, and we have six wonderful children. Our family moved to QC 8 years ago, and we absolutely love it here! I earned my bachelor's degree in Elementary Education and taught 2nd grade before stepping away to raise my children, something I've truly loved doing. Now

that they are young adults, I've been able to return to my passion for teaching. Over the past few years, I've had the opportunity to teach in various classrooms across the valley. Last year, I taught 4th grade. Some of my favorite things to do include traveling, hiking, and baking. This year, I'll be teaching ELA, Social Studies, and Writing, and I'm so excited to get started. I'm really looking forward to meeting you and having a great year together!

Welcome

5th Grade Families!

We are so excited to meet you! You will have both Mrs. Schramm and Mrs. Hancock as teachers this year. Mrs. Schramm will be teaching Math and Cottage, and Mrs. Hancock will be teaching ELA and Social Studies. Even though one of us will be your homeroom teacher, you will spend an equal amount of time in both classes. We are looking forward to seeing you at Open House!
