

Welcome to EDUPRIZE Kindergarten!

I would like to welcome you to Mrs. Miller's **AM TOPS Kindergarten Class in room 19. We will meet Monday-Friday from 7:15 a.m.-12:10 p.m.** Students need to be in line ready to be picked up at 7:10 a.m.

I am so excited you are in my class! I have lots of experience teaching kids of all ages. This will be my 18th year teaching here at EDUPRIZE, but I have also taught other grades, including preschool. I am originally from Southern California, but my husband, Troy, and I moved to Queen Creek in 2005. I absolutely love everything about Arizona (with the exception of the scorpions and "occasional" hot days). Troy and I have two children, one boy and one girl. TJ will be a freshman at ASU this year and Shania will be in 11th grade at Crismon High School.

We will take many journeys throughout the year. First, we will celebrate YOU and your new kindergarten friends. We will learn about our families, our school, and our community. Learning about you will be so much fun!

Our second quarter is a celebration of many different things! We will begin with celebrating the fall harvest by exploring apples, pumpkins, and leaves. Then we will celebrate America, the land of liberty. We will also celebrate different Thanksgiving traditions from past and present. Finally, we will take a trip "around the world" to learn about other countries and their traditions.

In January, we will learn about habitats. We will explore the ocean, the hot desert, the rainforest, and arctic.

Last, but not least, we will celebrate life cycles. We will study the life cycles of butterflies, chickens, and seeds. Some life cycles we get to observe right in our classroom!

I look forward to meeting you and your family at the **Kindergarten Open House on Thursday, July 17th**. Our Open House is scheduled for 8:00 a.m. - 9:30 a.m. Please bring your supplies so that I can be best prepared for our first day together. The supply list is included with this letter. Open House will be a time for you to meet me, see the classroom, and fill out some important papers. I can't wait to meet you and for you to see our classroom for the first time! I have so many fun things planned; I just can't wait!

Love,
Mrs. Miller

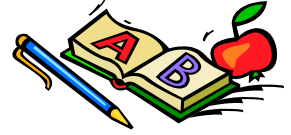

P.S. The first day of school is Tuesday, July 22nd and your child must be present and on time that day (for the entire day) to ensure enrollment at EDUPRIZE. All kindergartners will line up on the kindergarten playground. I look forward to meeting your family! If you have any questions, feel free to email me at crystal.miller@eduprize.com
