

WELCOME!

Hello Pre-K Families!

My name is Bailey McMillin (known to the students as Ms. Mac), and I am SO excited to be your teacher this year! For the last 4 years, I have taught Pre-K at Bright Beginnings School in Chandler. I grew up in Northern California, and I love the rain and the trees! Somehow, I ended up in Arizona, and I quickly fell in love with the desert. In my free time, I love to bake, read, and watch sports- go San Francisco Giants! I grew up wanting to be a teacher and I am living that dream! The most important thing to remember is that I will support your child all-year long. Teaching Pre-K is more than teaching letters and numbers. We will learn how to be good friends, how to share, how to properly wash our hands, how to make mistakes (and be okay with them), and so much more! I am excited to create this new class family together!

Open House is Thursday, July 17th from 3:00 - 7:00 pm for ALL grades. We are having a special Open House to celebrate our 30 years of education! The celebration will be BIG and will include meeting your teachers, seeing their classrooms, picking up important papers and carpool information, dropping off supplies AND celebrating together with food trucks and PTO activities. It will be a family fun night!

When we start school, you will need to sign your child in and out every day. For drop off you will drive up to the building I playground in lane 1. For pick up you will park in lane 2 or 3 and walk up to pick up your child at the Kinder Gate and sign them out. Your child MUST bring a backpack with a spare change of clothes (clothes will be kept at school), a healthy snack, a water bottle clearly labeled with their name (straws GREATLY preferred), and wear closed-toed shoes daily. I will provide your student with a take-home folder that they will bring to and from school everyday. This folder is a great way for us to communicate with each other and to keep all their work safe as it travels back home. I will also provide pencil boxes for all students to use.

I am absolutely thrilled to be a part of the EDUPRIZE family! I believe that learning happens best when students are out of their seats and using their hands to learn and explore the world around them. As well as teaching letters, sounds, shapes, and numbers, we will also explore storytelling, weather, planets, dinosaurs, and more! I can't wait to get to know you more and become a part of your child's educational journey. Enjoy the rest of your summer and I will see you all at Open House! Please continue to check www.eduprizeschools.net for any changes to schedules, etc.

IMPORTANT EAGLE INFO!

Back to School Celebration Date: Thursday, July 17, 2025 from 3:00 pm to 7:00 pm
