

EAGLES

EDITION

Dear EDUPRIZE Parents,

What a fantastic first full week! Drop-off, the school day, and even carpool have been running smoothly—thanks to our dedicated teachers and staff, patient and supportive parents, and, of course, our amazing students.

This week, I had the opportunity to visit every classroom and was so impressed by the high levels of engagement and learning taking place. I observed students collaborating in small groups, tackling problems both independently and together, beginning strong narrative writing, and even diving into hands-on science experiments. There is truly a lot of meaningful learning happening at EDUPRIZE!

Next week, we are excited to welcome you to **Curriculum Night** for all grade levels. This event is extremely valuable for parents and guardians, as it provides important information about our academic programs, expectations, and classroom procedures.

Each session will begin with a short presentation by Ms. Vehon and me, where we'll highlight key topics and share school-wide updates. Afterward, you'll join your child's teacher in their classroom for a more detailed overview of the grade-level curriculum and expectations.

Additionally, for parents of students in grades 3–6, we will host a special session on understanding **AASA state testing** reports—including how to interpret the results and what the next steps are to support your child's academic growth. Our shared goal is for every EDUPRIZE student to **thrive**, and a strong academic foundation is a critical part of that journey.

Please see the schedule for Curriculum Night below and make it a priority to attend—we look forward to partnering with you this year.

Kindly,
Robin
