EDUPRIZE SCHOOLS

QUEEN CREEK/SAN TAN VALLEY CAMPUS NEWSLETTER

COMMUNITY CORNER

by Dr. Bryce Solberg

Dear EDUPRIZE Families,

We are thrilled to announce a new collaboration with Kona Ice this year to celebrate our Student of the Month program!

Each month, teachers will nominate one student from their class who demonstrates the character trait of the month. These students will be invited to attend the EAGLES ROCK celebration with Mrs. Lynk-Jones and entered into a drawing to become the Kona Ice Student of the Month. One student per grade level will be selected from the pool of nominees.

This year, our character traits are aligned with the EDUPRIZE values and our schoolwide theme: THRIVE. For July and August, we will focus on Teamwork—working together to achieve a common goal.

Kona Ice Student of the Month recipients will:

- Have their photo displayed in the front office
- Receive a Kona Ice cup with a free treat

To celebrate, Kona Ice will visit campus on the last Friday of each month, offering treats for purchase to students and families as well.

We also want to recognize students with perfect attendance. At the end of each quarter, students with no absences and one tardy or less will be invited to enjoy a special treat with the principal. This initiative is part of our commitment to emphasizing the strong connection between attendance and academic success.

Thank you for your continued support in helping our students thrive by being present and on time every day.

Go EAGLES!
Dr. Solberg

ABSENT/TARDY STUDENTS

Please remember to call EDUPRIZE and leave a message if your child is going to be absent.

Attendance line:
(480) 888-1610, ext. 1200

All students arriving tardy must be signed in by an adult at the front desk of building 1 to receive a late pass. If a student arrives late and is not accompanied by an adult, the student will be asked to call their ride to return.

VISITORS/VOLUNTEERS

In order for visitors and volunteers to be buzzed into the front office. A visitor's purpose will be verified prior to receiving permission to enter the front office. While on campus, parents and volunteers will be required to leave a valid photo ID at the front desk and wear a lanyard at all times.

If you need to verify that you are on a teacher's volunteer/visitor calendar, please reach out to your child's teacher via email.

Identifying and Placement of English Learner (EL) Students:

EL Students are identified through the Home Language Survey (HLS) during the registration process. The HLS asks three questions about learning language and languages spoken in the home. If a parent addresses the questions with an answer other than English, that student will be assessed for English proficiency. Arizona uses the AZELLA (Arizona English Language Learner Assessment) to determine English language proficiency. Based on scores in Reading, Writing, Listening, and Speaking, the test results will identify if a student qualifies for EL services. A student must meet proficiency thresholds in all areas to be considered proficient.

What is EL and Why Does It Matter?

EL is short for English Learner. It describes the presence of another language other than English in a child's life. This second language can be described as the language most spoken at home, the language most spoken by the child, or the first language spoken/understood by the child. EL matters in a way that students are able to receive services to target language needs. The state has outlined several models for schools to choose based on their individual needs within their EL population.

The EL Model at EDUPRIZE:

EDUPRIZE uses the Pull-Out SEI model for all students in K-12th grade. Students in K-6th grade are pulled for 60 minutes a day, while students in 7-12th are pulled for 50 minutes a day to work on targeted instruction of English standards in Reading, Writing, Speaking, and Listening.

Practices and Protocols:

In the Pull-Out SEI Model, students will be able to acquire their language needs within a small group setting that is made up of students with the same language needs. Students will receive targeted instruction using language standards during this Pull-Out SEI model. For the rest of the day, the students will receive integrated instruction using Common Core State Standards along with their peers using grade-level content. SEI teachers will incorporate ELD (English Language Development) strategies within their content lessons and provide students with time to practice English.

Throughout the year, the teacher will implement standards picked out specifically to support EL students' needs. These standards are provided by the state and can be adjusted based on the student's level of proficiency and need.

Each year, EL students are given a reassessment test of the AZELLA to see how the student is progressing with English. The AZELLA is given around February/March, and the results are provided at the end of the school year. From these results, students will either be exited from the EL program or will continue to receive services.

Our Commitment and Promise to You:

EL students make up a large percentage within the Arizona Education system. Our goal is to celebrate their diversity as well as make sure all students have equal opportunity to learn and have success.
