

Hello Eagle Families,

The first week of school was a huge success! It was wonderful to welcome all of our students back on campus. The energy was positive, students were happy, and learning was already in full swing; what a strong start to the school year!

### Driveline Begins Next Week

Starting next week, we will begin using the Driveline dismissal system. Today your student was given their assigned Driveline code, pick-up lane, and designated dismissal time from their Advisory teacher.

- **Important Reminder:** Please place the provided Driveline sheet in your front windshield so staff can efficiently input the information. Students will only be dismissed when their code is entered into the system. All carpool drivers must use the designated lanes; students will not be released to individuals who park and wait outside of the carpool lanes.

### Curriculum Night

Our Curriculum Night is scheduled for August 4, 2025, from 5:00 to 6:30 PM. This is a great opportunity for parents to visit their student's classes, meet their teachers, and learn more about the curriculum, expectations, and resources that will support student success throughout the year. We encourage all families to attend and become active partners in their child's education. Additionally, 7th and 8th grade families will have the opportunity to learn more about their student state testing achievement.

### Dress Code Enforcement

Beginning next week, we will begin enforcing the school dress code. Please ensure your student comes to school in attire that aligns with our policy. While we recognize that the weather is still warm, we encourage students to dress for success. Students not in compliance will be asked to change clothing.

### Lunch Deliveries

To reduce disruptions to instruction, we encourage students to bring lunch from home whenever possible. Our staff is busy supporting students throughout the day. If you are bringing lunch please note the following:

- The lunch cart will remain outside until 11:15 AM.
- Food delivery services (DoorDash, Uber Eats, etc.) are not permitted.
- Only parents/guardians may deliver lunches.

Thank you for your partnership in helping us maintain a focused and productive learning environment.

Warm regards,  
Dr. Jennifer L.H. Murphy  
EHS - Principal
