# EDITION

Hello Eagles,

We want to extend our sincere thanks to all the families who participated in our recent Parent-Teacher Conferences. Your engagement and support are vital to the success of our students, and we truly value the partnership between home and school.

One of the key changes this year is our approach to test retakes. If a student scores below 70%, they are now required to retake the assessment. Teachers may be reaching out directly to parents and guardians to communicate when this applies.

To support students in this process, we've established a dedicated Testing Center and protected time after school on Tuesdays and Thursdays specifically for retakes. This ensures students have the time and resources they need to demonstrate mastery. With just three weeks remaining in the quarter, this is a valuable opportunity for students to improve their proficiency while maintaining passing grades. We appreciate your continued support in helping every student reach their full potential.

Our Fall Festival is just around the corner! Talent show auditions will take place from September 15th-17th in the B1 Media Center. To learn more please click the link below:

Finally, there is no school on Monday. Have a great three-day weekend!

Warm regards,
