# EDITION

Dear EDUPRIZE Parents,

Can you believe we are already just three weeks away from finishing the first quarter of the 2025–2026 school year? The time has flown, but in these past weeks, our students have worked hard to establish strong routines and set clear expectations for learning that will help them succeed throughout the year. We just finished up conferences, so I hope that you have a solid understanding of where your child is at and where your child is going, based on classroom data and formal assessments. Please continue to keep close ties with your child's teacher, checking email, newsletters, and Infinite Campus to monitor classwork, homework, and assessments. Your involvement and support are essential to your child's success.

In these next three weeks, we will continue to be diligent with our academic focus, including nightly homework and reading. Students need to read 100 hours each year to participate in Water Day in May, and that success comes from establishing a set reading time now. These reading hours should be spread across all four quarters to ensure steady progress and to help students develop fluency and comprehension. We recommend at least 20 minutes of reading each night, which will set students up for success both for Water Day and for long-term learning.

I also want to share some personal news. With just three weeks left in the school year, I'll be finishing my role as Principal and transitioning into the position of Executive Director of Operations. I have absolutely LOVED being Principal, working alongside our students, families, and staff. I can honestly say it's been one of my greatest joys, and I feel honored to have served in this role. The best part is knowing that the school is in amazing hands with Mrs. Vehon-Manfredi as Principal. She is articulate, knowledgeable, and her love for kids and her fierce advocacy for them are unmatched. She has the heart to lead, and I know she will continue to do incredible things for EDUPRIZE! Now, don't worry—you're not getting rid of me! I'll still be on campus...just down the way in another office in Building 1. I'll still get to see you and cheer on our kids every day. Thank you for trusting me with your children and for letting me be a part of their lives. That is a gift I will always treasure.

**SAVE THE DATE:** Tuesday, September 23rd or Wednesday, September 24th, from 5:00-6:30 PM will be our Q1 Cottage Fair. Your participation in Cottage Fair speaks volumes to your child, demonstrating your value of education and your child's learning. Plus, it's a TON of FUN!

Thank you for supporting EDUPRIZE. I appreciate you so much!

Kindly,  
Robin

# 2025-2027 ENROLLMENT

Do you have an incoming pre-kindergartner, kindergartner,  
or 1st-12th grade sibling to enroll for next school year?

NOW is the time to submit your enrollment interest form for the 2026-27 school year!  
Here is the link to complete the form today: <https://www.eduprize.com/apply-gilbert/>

Please do not delay! Siblings receive priority registration, but you must apply early to receive that benefit. We do not want you to miss the priority registration window and the opportunity to secure your preferred program/schedule. Additional details regarding registration will be distributed at a later date to families who have completed the interest form.
