

Hello New & Transferring Families,

My name is Tami Slattery, and I'm thrilled to be one of your child's 'first' teachers, along with you. Recently, I completed my 13th year teaching first grade at EDUPRIZE. My husband and I have two young adult sons, who also attended EDUPRIZE in their elementary years. I'm beyond excited to come back to the classroom to teach Pre-K this year with your children.

Our year will be filled with exploration, development, and lots of FUN! A foundation for a love of learning will be built, inspired by the curiosity each child will bring to the classroom. Your child will be busy using their hands to learn and explore. The learning focus will be on letters/sounds, colors, shapes, & numbers; and it will also include weather, planets, dinosaurs and so much more! Our balanced program teaches the whole child. Many opportunities will be given to increase fine & gross motor skills. We'll learn how to share, problem-solve, and work together. Friendships will be fostered, while understanding the importance of showing kindness towards others. Most importantly, your child will be LOVED each and every day. His/Her uniqueness & special gifts will be embraced with encouragement, in order to develop a confident, independent learner.

Thank you for entrusting me with the care of your child. I look forward to meeting you and forming a strong partnership in your child's education. See you on Monday!

Sincerely,

Tami Slattery
