

EAGLES

EDITION

Dear EDUPRIZE Parents,

I have the BEST news...once again, our school is rated an A school by the Arizona Department of Education! The A grade means we are excellent and distinguished in our performance —the highest mark achievable! The Department of Education is required by law to develop an annual achievement profile for every public school using an A through F scale to measure school performance. The letter grade is based on 5 components, including state assessment scores (AASA and ACT), growth scores, and other measures, which are compiled to produce a letter grade. We continue to maintain our excellent status as an A school. I'm so proud!

In addition, our school has been selected and will be visited in January for two days as we work toward earning our sixth A+ School of Excellence award from the Arizona Educational Foundation (AEF). We are proud to be a five-time A+ School of Excellence recipient, the highest state-level honor an Arizona public school can receive. This prestigious recognition celebrates schools that demonstrate outstanding overall performance, innovative practices, exceptional teaching, a commitment to the whole child, and a culture of collaboration and success. As part of the visit, the AEF team will meet with various stakeholders to learn more about what makes our school exceptional. We would love for some of our parents and community members to share their experiences and perspectives during this visit. If you are interested in being part of this panel, please let me know. Your voice and support make a difference!

So what's our secret sauce? It's a combination of our engaging curriculum, our commitment to differentiation to meet the needs of all students, and most importantly, it's our dedicated and talented teachers who give their all every day to passionately instruct and guide students to be successful, lifelong learners!

Way to go EDUPRIZE!

I'm super proud to lead EDUPRIZE...it's an amazing place!

Have a great weekend!

Also, thanks for making the Fall Festival so successful last week! It was a great night of fun, and I loved being able to talk with so many families. Thank you for your support!

Kindly,
Robin Yeargain
Interim JH/HS Principal
