

EAGLES

EDITION

Hello EDUPRIZE families,

I have so many exciting things to share with you this week - so thank you for reading the newsletter!

- Today we had the Literature Day Parade and it was EPIC! The students were so cute dressed as their favorite characters, and carrying their book to show the connection. The children, as always, love the spirited celebration of creativity while focusing on the importance of reading.
- Our next school tradition is coming up on Tuesday, November 25th. That is our Gobbler Gallop! Almost all classes will have their races during their specials time so come on out and cheer on your child during this friendly, annual competition that kicks off our season of gratitude for Thanksgiving. Your teacher will let you know if they are one of the few classes running a different time of day to help you plan.
- Right before Gobbler Gallop, we will be representing EDUPRIZE in the Gilbert Days Parade (on 11/22). If you haven't already, [sign up here](#) to march with us! We will be handing out kits for your child to create sock puppets that we will help us represent the theme of being "Out of this World," if they decide to join us in the parade.
- Starting next week, we will begin collecting food for our annual [Thanksgiving Food Drive](#). This food drive benefits [City Hope](#). Please see this flyer so you know what each grade level is collecting and thank you, in advance, for your generosity!
- I saved the best news for last, once again, our school is rated an A school by the Arizona Department of Education! The A grade means that we are excellent and distinguished in our performance, the highest mark achievable! The Department of Education is required by law to develop an annual achievement profile for every public school using an A through F scale to measure school performance. The letter grade has 5 components, including state assessment scores (AASA and ACT), growth scores and other measures, that are compiled, resulting in a letter grade. We continue to maintain our excellent status as an A school. I'm so proud!

All of the activities we do are to strengthen and support a strong, positive community and we love having families involved! I'm so proud to lead EDUPRIZE. It's a unique and amazing place!

Have a great weekend and be safe out there if you are trick-or-treating tonight!

Cheers to 30 years,

Principal Vehon-Manfredi
