# EDITION

Dear EDUPRIZE Parents,

We are just two weeks away from completing the first half of the school year! It's hard to believe how quickly time has passed. As we approach the end of the semester, it is essential that students complete all coursework by the end of next week, so they are fully prepared for finals during the last week of school.

Please take a moment to check Infinite Campus to monitor your child's progress. In advisory, students are being reminded to retake assessments and complete any missing assignments to improve their grades. Waiting until the last minute can cause unnecessary stress and may even result in needing to repeat a class. Your partnership in keeping students on track is greatly appreciated.

Eagle Expo was a great success last night! Seeing the students' projects to demonstrate their learning is always a highlight of the quarter. Thank you for coming out and celebrating learning with your child! As we approach the end of the year, many families begin to consider ways to give back. We want to remind you of a meaningful opportunity to directly support students at **EDUPRIZE Schools – Gilbert** through the Arizona **ECA Tax Credit**. Anyone can make an ECA donation and receive the full amount back as a dollar-for-dollar credit on their Arizona state taxes. The allowable credit is **\$200 for individuals** or **\$400 for joint filers**.

ECA funds directly support qualifying extracurricular programs such as athletics, after-school academic support, Odyssey of the Mind, and LIFE Fund. If you would like to donate, you may do so through Infinite Campus under School Store by selecting ECA. You may also visit our website and scroll to the footer to find the ECA link. When donating, please select the activity you would like your contribution to support.

Thank you for considering this impactful way to support our school community. We truly appreciate our parents, families, and the partnership we share.

Have a wonderful weekend!

Kindly,

Robin Yeargain
