

# EAGLES

# EDITION

Dear EDUPRIZE Parents,

We are now in Week 3 of the semester, and instruction is fully underway across all content areas. Teachers are delivering standards-based lessons that require students to actively engage with classwork and homework designed to reinforce learning and build mastery. It is so important that students take responsibility for completing and submitting assignments on time, as missing work piles up quickly and impacts academic progress. I encourage families to review grades weekly in Infinite Campus and support students in staying organized, meeting deadlines, and maintaining strong academic habits.

Next week, we are honored and excited to welcome the Arizona Education Foundation to our campus on Tuesday and Wednesday. Their team will be visiting every classroom K-12 and will be meeting with stakeholders as part of the review process for our 6th A+ School of Excellence® application. We are proud of the work happening at EDUPRIZE and look forward to sharing the amazing things we do with the team of judges.

As we continue to navigate the transition for next year and the shift away from a traditional in-person 9-12 program, we will be hosting our final parent meeting on Tuesday, January 27th at 5:00 PM in the building 1 Media Center. This meeting will provide information about the 3 options and offer time for families to ask questions. We encourage all families who may be impacted to attend, as we want to help you through this transition.

Thank you for your continued partnership, support, and commitment to learning. We look forward to the great work ahead.

Kindly,  
Robin Yeargain  
Interim Principal
