

EAGLES

EDITION

Dear EDUPRIZE Parents,

We have some very exciting news to share! Our school has been awarded the A+ School of Excellence designation from the Arizona Educational Foundation for the **sixth time**...making us the most awarded charter school in the state!

As part of the rigorous selection process, representatives visited our campus for two days, observing classrooms and meeting with students, staff, parents, and community members to ensure that what we say we do truly reflects daily practice.

The A+ School of Excellence Award is the highest state-level recognition a public school in Arizona can receive and identifies schools that may be recommended for the U.S. Department of Education's National Blue-Ribbon Schools Program.

Hundreds of schools apply each year for this highly sought-after designation, which is awarded only to those demonstrating exceptional achievement, strong leadership, and meaningful community engagement – truly the best of the best in education. This year, just 48 schools across Arizona received the honor, and we are especially proud that **two of those schools were EDUPRIZE**, with both our Gilbert and San Tan Valley campuses earning the award.

As we head into the final two weeks of the quarter, grade checks are especially important. Please take time to review your child's progress in Infinite Campus and connect with teachers if needed. We also look forward to seeing you at **Eagle Expo this Tuesday!** Students have created interactive games and displays to demonstrate what they have learned this quarter through hands-on experiences. Your presence sends a powerful message that their effort and learning matter.

Thank you for your continued partnership and support. We can't wait to see you there!
Have a wonderful weekend.

Kindly,
Robin
