# EDITION

Dear EDUPRIZE Parents,

Quarter 3 is underway, and it is always one of the most engaging times of the school year. Classrooms are full of meaningful learning, and students have many opportunities to be involved through basketball, flag football, cheer, and esports. It's a busy and exciting season on campus.

Conference time is also approaching, and this is an important opportunity to partner together. Meetings will focus on how your child is progressing toward grade-level standards: where they are growing, where they are meeting expectations, and what goals can be set for the remainder of the year. We encourage you not to miss this valuable time to talk specifically about your child's learning. Please come with any questions you may have, as we are here to support both you and your student.

We also have several events to look forward to:

- Tonight: Junior High Valentine's Dance at 7-8:30 p.m.
- Odyssey of the Mind on February 28th
- Schoolhouse Market on March 28th
- Our incredible Eagle Expo, where learning will be gamified throughout the quarter and shown to you!

With half of the school year now behind us, it can sometimes be easy for students to slip into "coast mode." Quarter 3 is a great time to check in with your child, encourage strong learning habits, and reinforce that education remains a top priority as we move toward the end of the year.

Thank you for your continued partnership and support. We look forward to a strong and successful quarter together.

Kindly,  
Robin Yeargain
