

EAGLES

EDITION

Dear EDUPRIZE Parents,

We've had an exciting week with the Arizona Education Foundation on our campus for 2 days, meeting with different stakeholders and visiting every class to see the amazing learning that is happening here! In February we will find out if we will be awarded our 6th A+, which would be a unique distinction to EDUPRIZE, as we are the only charter with 5, so 6 would be really spectacular!

Next week we are at the halfway point of the quarter. Students should have their assignments turned in and should be able to see their grades on Infinite Campus. Please check that weekly and partner with us to keep kids on track.

Speaking of partnering, the week of February 9-13th is conference week. We want to meet with ALL parents to provide a picture of your child's success in school. Teachers will be sending out a sign up genius...please choose a date and meet with teachers to see how your child is doing.

Please check the calendar below as semester 2 is always full with lots of events. Thanks again for your support!

Kindly,
Robin
