

EAGLES

EDITION

Good afternoon EDUPRIZE families,

We've had a fantastic week of learning and an excellent turnout for parent-teacher conferences! It was great to connect with so many families, and more importantly, for you to meet with your child's teacher and see their progress firsthand. Thank you for making conferences a priority - your partnership is invaluable! Particularly, if you have a child in grades 3-6, we need your partnership as we prepare students for state testing in Q4. This assessment measures student proficiency with grade-level standards. Our incredible teachers will continue to support students to master these standards and prepare students with the test-taking skills they will need to confidently demonstrate their knowledge. [Here is a calendar of testing dates](#) to help you plan any appointments for your child around these assessments.

Our Project Exploration trip departure has finally arrived! Several of our 5th and 6th grade students, parent chaperones, Mrs. Deist and I are on our way to California for a fun and learning-filled weekend focused on oceanography. We will start with a floating boat lab, then go to Sea World, and finally, visit the Birch Aquarium at Scripps. Students who are attending have worked HARD to prove that they are ready to attend this trip, and I can't wait to share with you how much fun and learning we had when we return! A HUGE thanks to Mrs. Turner for planning almost every aspect of this trip, to the parents of our participants for trusting us to take great care of your child, and to the parent chaperones who are attending for supporting us in that effort to have a fun and safe trip.

Lastly, pre-registration for our Boosterthon Fun Runs started this week on 2/11. Have YOU preregistered yet? If not, head to mybooster.com and select EDUPRIZE and your child's homeroom(s) to do so. The first 100 people to pre-register will be entered into a drawing for a \$100 Amazon gift card! Thanks for supporting our school!
