

EAGLES

EDITION

Dear Eduprize Parents,

As we wrap up the third quarter, I want to sincerely thank you for another wonderful stretch of the school year. It is hard to believe that we are already three-quarters of the way through the year! Your support, partnership, and encouragement at home make a tremendous difference in the success of our students and our school community.

Quarter 4 always arrives quickly--and it moves even faster. This final quarter will be a special one for our school, particularly as it marks the last quarter for our in-person high school students. We are excited to celebrate this time together while keeping learning strong through the final weeks of the year. Along the way, we will also take time for small celebrations of progress and accomplishments, because every milestone matters.

When we return from break, students will begin state testing, followed by the final stretch of teaching and learning for the year. In addition, several important celebrations and events are ahead, including our A+ School Celebration, 8th Grade Promotion, and High School Graduation. These are meaningful moments for our students, families, and staff, and we look forward to celebrating them together.

Quarter 4 truly flies by, so be prepared for a busy and exciting finish to the year! I hope your family enjoys a wonderful and restful break. Take time to relax, recharge, and enjoy time with family and friends. We look forward to welcoming everyone back refreshed and ready for a strong finish to the school year. I'll see you back when school resumes on **Tuesday, March 24th!**

Kindly,
Robin
