

EAGLES

EDITION

Dear Eduprize Parents,

Welcome back to Quarter 4!

Quarter 4 is always a busy and important time on campus. Much of April will be dedicated to state testing, and we appreciate your partnership in ensuring students are present, well-rested, and ready to do their best each day. Following testing, we will transition into a season filled with end-of-year activities that highlight student growth, accomplishments, and celebrations.

We are looking forward to a strong finish to the year, with continued high expectations for learning, engagement, and effort from all students.

As a reminder, we will not be offering an in-person high school program next year. We understand that this transition may bring questions, and we are here to support you. Based on your child's individual strengths and needs, we are happy to provide recommendations and guidance to help you plan next steps.

Please don't hesitate to reach out to me or our Academic Advisor, Dr. Horning, with any questions. We are committed to being a resource for your family and ensuring a smooth and successful transition.

Thank you for your continued partnership and support.

Kindly,
Robin
