

# EAGLES

# EDITION

Dear EDUPRIZE Parents,

What a great week it has been! We successfully completed AASA state testing for our 7th and 8th grade students, and we are so proud of their hard work and perseverance throughout the testing process.

We are almost at the finish line for spring assessments! Coming up next week, our 9th grade students will take the ACT on Tuesday and Wednesday, and then we have just one remaining testing day: the PSAT 10 on April 22. We are so close to wrapping up testing season...thank you for your continued support in helping students arrive rested, prepared, and ready to do their best.

As we move through the remainder of April and head into May, our calendar is packed with exciting events as we celebrate the close of another incredible school year. In addition to continuing meaningful learning every day in our classrooms, we have so much ahead, including:

- Pep Rally
- PTO Game Night
- Prom
- Senior Dinner
- Eagle Expo
- A+ Celebration
- Teacher Appreciation Week
- Senior Breakfast
- Senior Walk through all campus buildings
- 12th Grade Graduation
- 8th Grade Promotion Ceremony
- Last Day of School

It is a joyful and busy season! Please be sure to review the school calendar and add these important events to your family calendar so you can join us in celebrating these memorable milestones.

For some of our families, this marks your final quarter as an EDUPRIZE Eagle. That is difficult for me to even think about, as saying goodbye to students and families who have been part of our community for so many years is never easy. I have had the privilege of knowing many of you for a long time, and the close of this school year will certainly be emotional. While it is bittersweet, I am also excited for the wonderful opportunities ahead for our students. If your family is uncertain about next steps or needs support planning for the future, please know I am always happy to help.

Thank you for being such an important part of our EDUPRIZE family. Have a wonderful weekend, and we look forward to seeing everyone back next week!

Kindly,  
Robin
