

EAGLES

EDITION

Dear EDUPRIZE Parents,

We are officially in the final countdown of the school year! With 29 days remaining, an exciting 18 of those days are filled with events and activities. Please be sure to check the school calendar listed below so you don't miss any important dates. Also for these 29 days, the learning continues daily. Teachers are still instructing and the expectations of both class and homework continue.

Senior Families: We have many fun activities and special events planned in the coming weeks. Please be sure to review the dates that have been shared and continue to watch for additional emails with important details.

We are very close to the completion of state testing, with just one day remaining next week. Our students have worked incredibly hard, and we are eager to receive results that reflect their growth and proficiency with state standards.

Next week, we are excited to host a HUGE celebration on Friday, April 24th at 9:00 AM, and we would love for you to join us! We will be celebrating earning our 6th A+ School of Excellence Distinction from the Arizona Education Foundation, as well as reaching our incredible goal of raising \$55,000 through Boosterthon. To make the celebration even more fun, our school leaders and staff will be participating in some wacky races and competitions in front of the students! It will be a zealous celebration!

As always, thank you for your continued partnership and support.

We look forward to finishing the year strong together!

Kindly,
Robin
