

EAGLES

EDITION

Dear EDUPRIZE Parents,

I hope you had a wonderful spring break, taking time to enjoy your family and friends. I was able to take time to relax and rejuvenate as we begin a busy Q4!

This quarter has already been hopping, right back to work, including our 5th graders kicking off our state testing with AzSci. In the coming weeks, we will continue taking our state testing, the AASA, online. For the next 3 weeks, certain grade levels will be testing each day. [Please refer to this calendar for your specific grade level testing days.](#)

I thought you might appreciate this list of advice about how best to support your child during state testing:

The Night Before the Test:

1. Make sure your child gets plenty of sleep the night before the test.
2. Tell your child you know tests can be hard, but that taking them gives him/her a chance to show how well he/she can do.
3. Be encouraging -- let your child know you think he/she will do well on the test.

The Morning of the Test:

1. Have your child get up early enough to avoid hurrying.
2. Make sure your child has a good breakfast on the morning of the test.
3. Have your child dress in something comfortable and familiar.
4. Be positive when you send your child to school.
5. Make sure he/she arrives at school on time during testing days (make-ups alter the schedule and can create undue stress).

After the Test:

1. Praise your child for trying hard on the test.
2. Talk about what they learned from the test (content AND test taking skills).
3. Talk with your child about what can be done between now and the next time a test is given to improve their performance.

After Receiving Results:

1. Don't compare his/her performance to a sibling or a friend's child.
2. Point out your child's strong areas and how proud you are.

Thank you, as always, for all that you do to support your child at home as we support them to meet or exceed their grade level standards!

Cheers to 30 years,
Heather Vehon-Manfredi

P.S. Good luck to our cheer team and our Odyssey of the Mind team who are BOTH participating in their respective state competitions tomorrow! Also, our School House Market has been cancelled due to the unseasonably warm weather.
