

# EAGLES

# EDITION

Dear EDUPRIZE Parents,

As we move forward through our testing season, our students are working hard to showcase their knowledge and growth! Last week our 5th graders completed testing in science and this week our 3rd-6th graders showed off their writing skills. I truly appreciate how you have made a concerted effort to get your students to school on testing days. We have had NO tardy kids so far in testing classes and only a handful of make ups - so please know your efforts were noticed and appreciated!

These state assessments provide students an opportunity for them to demonstrate their learning progress throughout the year. At the same time, our classes remain focused on grade-level standards across all subjects to ensure a well-rounded academic experience for every student as we begin to close out the school year.

Beyond academics, we are also proud to announce that our Eagles are excelling in other ways. Our Odyssey of the Mind team took 3rd place in their state competition last Saturday and our junior high cheer team took first place! They are the state champs! I saw them perform and they blew me away. They even beat a team that has gotten first place for the past 4 years. That is no accident - that is through the grit and dedication of each team member/cheerleader and coach that helped these teams SOAR! So special kudos to Coach Nina, Coach Bren, and Coach Soliven!

There is still time to order a yearbook! Just head to [YBPAY.LIFETOUCH.COM](http://YBPAY.LIFETOUCH.COM) and enter code: 15487326. The last day for yearbook orders is 4/12 (see flier included in this newsletter). And a huge thanks to our yearbook committee through PTO who has been working HARD to ensure our yearbook is top notch!

Cheers to 30 years,  
Heather Vehon-Manfredi

Enjoy your long, Easter weekend with friends and family!
