# EDITION

Dear EDUPRIZE Parents,

Another great week at our junior high and high school! As we move closer to the end of the school year, our calendar is full of meaningful and fun activities for students.

Last week, our 9th–12th grade students enjoyed an incredible Prom night. From classic cars for photos to a “host a murder” activity and a lively dance, it was truly a memorable evening. A huge thank you to our amazing group of parents who planned and organized such a special event for our students.

On Wednesday, our high school students visited the Phoenix Zoo, where they engaged in hands-on learning aligned to science standards while enjoying a great day together.

Thursday evening, we hosted our Senior Dinner, celebrating and honoring 48 graduating seniors ahead of their May 28 commencement. It was a wonderful opportunity to connect with families and recognize the accomplishments of this outstanding group of students. Thank you again to the parents and staff who made the evening so meaningful.

Looking ahead, next week is **Teacher Appreciation Week**. We encourage you to take a moment to share your gratitude with our teachers and staff as they are deeply committed to your child’s success and make a difference every day.

We will also host our final **Eagle Expo** of the year on Thursday, May 7th starting at 5pm in the B4 gym. This quarter we will be featuring Science and Math, and there will be some very engaging and interactive experiences - this is one you won’t want to miss!

As we close out the year, expectations remain the same: students should continue to work hard, stay focused, do their best, and be kind. Many times, the end of the year can bring an increase in discipline issues as students grow tired and look forward to summer break. We will continue to uphold our high expectations for both learning and behavior. Your encouragement at home makes a big impact...thank you for your support and for reinforcing these expectations.

Finally, next Friday, May 8th, we will hold a **Rally Day** from 12:00–2:00 PM. This is an important opportunity for students to complete missing assignments, receive reteaching, and retest if needed. If your child is not currently passing a class or is needing extra help, attendance is strongly encouraged. Please reach out to your child’s teachers with any questions.

Thank you for your continued partnership as we finish the year strong!

Have a great weekend!

Kindly,  
Robin Yeargain
