

EAGLES

EDITION

Dear Eduprize Parents,

We are here...the final two weeks of school! While every school day is important, these last two weeks are **especially crucial** as students work to finalize assignments, complete assessments, and finish the year strong.

Students have until next **Friday, May 22nd** to complete any remaining assignments. Please take a few moments to have your child **SHOW** you their grades in the Infinite Campus parent/student portal. Teachers have been communicating regarding missing assignments and low grades, and they truly need your partnership and support to help ensure students are completing their work and staying on track.

Today, we wrapped up the week with an exciting Pep Rally to celebrate the amazing accomplishments of our students and enjoy some fun together as a school community! During the rally, we proudly recognized both our Cheer Team and Esports Team for winning their State Championships—an incredible honor for our school. We are so proud not only of our students' academic achievements and character, but also of the dedication, teamwork, and excellence demonstrated in athletics. What an outstanding accomplishment for both programs!

These final two weeks are packed with important events and celebrations, so please continue checking the calendar of events and newsletters for updates and reminders.

Upcoming celebrations include:

- High School Graduation: Thursday, May 28 at 5:00 PM
- 8th Grade Promotion: Friday, May 29 at 9:00 AM

We are excited to close out the school year with these meaningful celebrations and create lasting memories together.

Have a wonderful weekend!

Kindly,

Robin Yeargain
