

EAGLES

EDITION

Dear EDUPRIZE Parents,

It has been a fabulous week filled with students completing projects, demonstrating their learning, and working hard to finish strong!

Our Eagle Expo was AMAZING! Students showcased beautiful artwork, stellar science experiment boards, incredible engineering projects, and impressive math applications involving area and surface area. It was clear that students not only understood the learning standards, but also applied them with tremendous creativity, talent, and skill. In addition, both our Band and Dance classes delivered outstanding performances that were truly top-notch. We are so proud of the hard work and dedication our students continue to display.

We now have just 14 school days remaining, which includes finals and the completion of all makeup or late work which is due by May 22. Please continue encouraging your child to stay focused, organized, and committed as we finish the year strong.

Next Friday, students will have Yearbook Pickup and a Signing Party after school until 12:45 PM. This is always a fun opportunity for students to celebrate memories from the school year together.

While meaningful learning continues each day over the next two weeks, we are also excited to celebrate some important milestones:

- **High School Graduation: Thursday, May 28 at 5:00 PM**
- **8th Grade Promotion: Friday, May 29 at 9:00 AM**

Please continue checking the newsletter and important dates section so you stay informed about all upcoming events and activities.

Thank you for your continued support, and have a wonderful weekend!

Kindly,

Robin Yeargain
