

Welcome to second grade

Hello! Welcome to EDUPRIZE. My name is Candace Campbell, and I am **excited** to be your child's teacher this year! We are going to do many **fun** things, and of course, we will **learn** a lot.

A little about me, this is my 20th year teaching and my 7th year at EDUPRIZE. I earned my Bachelors in Elementary Education and my Masters with a reading endorsement from NAU. I have experience teaching 1st through 5th grade. I have also served as a reading specialist. I live in San Tan Valley with my husband and three children. My son, Edison, is 17 and will be a senior. My daughter, Quinn, is 14 and will be in 9th grade. My youngest daughter, Cora, is 9 and will be in 4th grade this year. Fun fact- my husband and I are both Arizona natives! As a family, we love to travel, read, watch movies, and go camping.

We have so many fun things planned this year. Your child will be exploring four different thematic units throughout the year. At EDUPRIZE we call these units "cottages". Each cottage is full of hands-on learning experiences. The second grade cottages are: Sweet Shop, Global Exchange, Weather Station, and Dinosaur Dig.

I am so excited to meet each and everyone of you. Our Second Grade Open House is planned for **Monday, July 20th from 8:30am- 9:15am**. We will be meeting in building one, room 46. You will get to check out our room and visit with me. If you would like, you are welcome to bring your suggested school supplies.

Our first day of school is **Wednesday, July 22nd**. All students must be on time and present the full day to be considered enrolled at EDUPRIZE. Our AM FLEX schedule is **Monday through Friday from 7:15am to 12:15pm**. I will pick up the students each morning at **7:0am** on the basketball court.

I look forward to meeting with you and your family! If you have any questions or concerns about the school year, please do not hesitate to contact me. The best way to reach me is through email. My email address is candace.campbell@eduprize.com. Thank you in advance for all you will do to make this a wonderful school year for your child!
