

A warm welcome to all my Full Day Kindergarten students! I am so excited to begin this adventure with you and your family.

My name is Mrs. Jackson, and I have been teaching for 27 years. Kindergarten holds a special place in my heart-I have taught it for 26 of those years! For the past 17 years, I have been a part of the EDUPRIZE community.

I live in Gilbert with my husband Jim. I have two wonderful adult “kids,” Talor and Jayden. Talor is an instructor at Dish Network and Jayden is a teacher at Lauren’s Institute for Education. Some of the activities I love to do in my spare time are running, riding bikes, hiking, camping, playing games, participating in fun runs, and most of all – reading!

Now that you know a little about me, I would love to learn more about you. Please take a moment [to click this link and fill out Mrs. Jackson's Back to School Questionnaire](#).

This year will be full of exploration and learning. Not only will we learn about reading, writing, math, science, and social studies, but we will also make friends, follow the six pillars of character, practice having "grit" to do hard things, and solve problems. Each quarter we will learn and explore through our different cottage themes: All About Me, Celebrations, Habitats, and Life Cycles.

Please refer to the table below for Open House details. While we encourage families to attend during the recommended time, you are welcome to visit whenever it suits you throughout Open House. I look forward to meeting you at Open House! Don’t forget to bring the items listed on the attached supply list. If you are unable to attend, please let me know-I’d love to connect with you.

If you have any questions do not hesitate to email me at shalynne.jackson@eduprize.com

I am so excited to meet you all,
Mrs. Jackson
