

Welcome to EDUPRIZE Kindergarten!

Welcome to Mrs. Miller's **AM FLEX Kindergarten class** in Room 19! I am excited to begin this wonderful journey with you and your child. Our class will meet Monday through Friday from **7:15 a.m. to 12:10 p.m.** Students should be in line and ready for pick-up by **7:10 a.m.**

I am thrilled to have your child in my class this year! I have extensive experience teaching children of all ages, and this will be my 19th year teaching at EDUPRIZE. Originally from Southern California, my husband and I moved to Queen Creek in 2005. We have loved calling Arizona home ever since—minus the scorpions and the occasional extra-hot summer days! We have two children, one son and one daughter. TJ is currently training to become a firefighter and Shania will be a senior at Crismon High School.

This year will be filled with exciting hands-on learning adventures! In the first quarter, we will focus on building friendships and learning about our families, school, and community.

During the second quarter, we will explore fall themes, American traditions, Thanksgiving celebrations, and cultures from around the world.

In January, we will study habitats such as the ocean, desert, rainforest, and Arctic.

Later in the year, we will learn about the life cycles of butterflies, chickens, and plants. Students will even have the opportunity to observe some of these life cycles right in our classroom!

I look forward to meeting you and your family at our **Kindergarten Open House on Friday, July 17th, from 8:00 a.m. to 9:30 a.m.** Please bring your child's school supplies so I can be fully prepared for our first day together. The supply list is included with this letter.

Open House will be a wonderful opportunity for you to meet me, tour the classroom, and complete important paperwork. I cannot wait to meet all of you and share our classroom with you for the first time. I have so many fun and engaging activities planned for this school year, and I am excited to begin this journey together!

Warmly,
Mrs. Miller

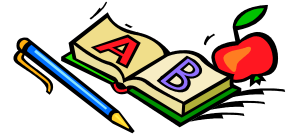

P.S. The first day of school is Tuesday, July 22nd and your child must be present and on time that day (for the entire day) to ensure enrollment at EDUPRIZE. All kindergartners will line up on the kindergarten playground. I look forward to meeting your family! If you have any questions, feel free to email me at crystal.miller@eduprize.com.
