

READING'S Robots

Ms. Reading
3rd Grade
Room 58

WELCOME

Welcome to third grade! I hope your summer has been FILLED with fun!

My name is Mrs. Reading, and I'm so excited to be your **Chief Robot Commander (teacher)** this year! We are going to **power up** for an EPIC year full of learning, laughing, and teamwork. Get ready to **gear up your brain circuits** because we'll be exploring new ideas, solving problems, and having lots of fun along the way!

This is my 15th year teaching at EDUPRIZE. I am a mom of six and a grandma to 13 amazing grandchildren. I love being outdoors with my family and friends, watching movies, and puzzling.

Our learning adventure begins when we **activate our systems** on Wednesday, July 22nd at 7:55 a.m. (8:00 a.m. start time). School hours are 8:00 a.m.–2:40 p.m. Monday–Thursday and Friday 8:00 a.m.–11:25 a.m. Please make sure you are on time and ready to go on the first full day to secure your spot at EDUPRIZE.

I can't wait to meet you and start an AWESOME year together. Let's **gear up and power on for success!**

COTTAGE

We will be exploring four 9 week thematic units or cottages. The cottages for third grade are: Desert Lab, Arizona Highways, Plant Nursery and Illumination Station. Cottages are filled with hands on learning that covers the Arizona State Science and Social Studies Standards.

OPEN HOUSE

WHERE: **Charging Station** in ROOM 58

WHEN: Monday, July 29th

TIME: 10:30-11:15 A.M.

If you are unable to attend at this time, I should be in my command post most of the day. This would be a great time for you to bring in your child's supplies that are listed in this letter. Bringing in supplies during open house will make the first day run more smoothly.

ROBOT SUPPLIES NEEDED
