

# Dear 4<sup>th</sup> Grade Families,

Welcome to the team! I am so eager to meet you all very soon! I was born and raised in Arizona, and I love traveling. Dubai, Italy and Paris have been my favorite places so far! This will be my tenth year in 4<sup>th</sup> grade! I am really looking forward to a year jam-packed with all kinds of exciting adventures in reading, writing, math, and cottage! We'll be exploring 4 exciting Cottages: Energy Lab, Reptile Ranch, Grand Canyon Marketplace and Exploration Station.

Teaching has always been my passion and I put my whole heart into every single day in the classroom. I heavily focus on building a safe and positive classroom community. My classroom is a very high-energy place where students uplift each other, work together as a team, and become the champions I know they are.

I can't wait to meet you at Open House Monday, July 20<sup>th</sup> from 11:30-12:15. Remember to stop by and pick up your carpool information in the tech labs at Open House. You will also be able to drop off supplies. The first day of school is Wednesday, July 22, 2026. Your child will learn where to meet me outside on the first day, and must be present the full day to be considered enrolled at EDUPRIZE.

My ultimate mission is to instill a love for learning in my students so that they become lifelong learners! Please know that when your child walks into this classroom they are safe, cared for, and capable of the extremely high expectations that will be set for them.

I look forward to an incredible year with you and your champion!

**sincerely,**  
**MISS SALCIDO**
