

Dear Kindergarten Families,

Welcome to Kindergarten! My name is Amy Taylor and I am pleased to be your child's **Kindergarten PM FLEX** teacher. I look forward to working with you this school year. This will be my twenty-first year teaching, and I am anxious to start another exciting and productive year!

Here is a little information to get to know me. I was born and raised here in the Phoenix area. I am married and we have a fifteen year old daughter and a son who will be twelve in September. My family is incredibly special to me. I also enjoy reading, traveling, and watching movies. I received my bachelor's degree from the University of Wyoming and my master's degree from Arizona State University. I am very passionate about teaching and education, and I hope it shows.

There is a lot to look forward to learning in kindergarten. We will celebrate ourselves and our new kindergarten friends. We will learn about families, our school, and our community. We will discover celebrations around the world, habitats, and life cycles. We will even get to observe some life cycles right in our own classroom! It is going to be such a fun year!

Our first opportunity to meet will be at our informal Kindergarten Open House on Friday, July 17, 2026 3:30 – 4:30 p.m. You will be able to meet me, visit our classroom, and familiarize your child with this new upcoming adventure. I have attached a supply list to help you prepare for the year. **Please bring all supplies to our Open House.** I look forward to meeting you!

Your first day of school is Wednesday, July 22nd. Students need to arrive to school and be in line by 10:35 a.m. Our school day begins at 10:40 a.m. and will end at 3:30 p.m. **Students must be on time and present the entire first day to ensure enrollment at EDUPRIZE.**

If you have any questions or need to contact me before Open House, you can e-mail me at amy.taylor@eduprize.com. I am really looking forward to being your child's kindergarten teacher. This is going to be a wonderful year!

Sincerely,
Mrs. Taylor
