

The Real Deal about the 3rd Grade

About Ms. Hope

Hello, I am Arielle Hope. This is my fourteenth year teaching and I am thrilled that this is also my fourteenth year at EDUPRIZE. I did my student teaching at EDUPRIZE and fell in love with our school. I graduated from Northern Arizona University with my Bachelor's in Elementary Education in 2013 and received my Master's in Applied Behavior Analysis in 2018. I love reading, going to concerts, and spending time with my family.

It's that time of year—school's finally in! Our super 3rd grade is where we begin. I'm so excited for the year we will share, With math, reading, science and plenty of care.

We'll tackle multiplication and learn to divide, Taking big leaps with a "can-do" pride. From chapter books to writing with flair, We'll build a classroom beyond compare.

But before we dive into all that we'll do, We're building relationships—me and you! We'll create a safe space where we all can belong, Making our classroom family happy and strong.

We'll be mindful learners, independent and bright, Making this 3rd-grade year a total delight!
